Patrick/Dan,

Just a quick follow-up question concerning the CD, do you have an idea of the timing of when the PTI incorporating the CD elements will be ready? Thanks!

Dan/Patrick,

Would it be possible for one of you to send me the final CD for AK Steel Dearborn Works? Thanks so much!

Good morning Sarah,

We are looking at the AK Steel Title V Renewal for the Dearborn Works facility. I believe I heard that there is a final federal CD for this facility. If there is, would it be possible to get a copy? Thanks so much!
